## Snetterton - 08th/09th August

The next round of the Max5 Championship is fast approaching, and promises to offer the biggest grid so far this year! Entry forms are available now from the Max5 website.

Entry fees are now reduced by 1/3<sup>rd</sup> to £200 for this double header event, and of course there are no registration fees in MaX5, in which any race prepared MX-5 is eligible!

This is going to be one you won't want to miss. Great racing, great circuit and a great atmosphere! So don't miss out, get your entries in today, and look forward to a great weekend!

Our good friends over at Mazda On Track have a track evening event coming up at Bedford Autodrome (that's the one that Evo magazine use!) on the 29th August.

The event will run an 'open pit-lane' format, with the cost being £120, or £105 for MoT Drivers Club members.

So if you fancy seeing what your car will do, or if you know somebody who might, head on over to [www.mazdaontrack.co.uk](http://www.mazdaontrack.co.uk) for more information, and to book your place.

### Want to be a racing driver ?

MaX5 now offer a support and advice program to help people obtain their race licence. Aswell as this, they offer the opportunity to rent a race car, help to understand what equipment is needed, and most importantly, support them on that first race day.

What more could you want ?!

## GREAT NEWS!

Following the resounding success at Oulton Park, the barby is back!

That's right folks, lunch at Snetterton is on MaX5! Here again is a chance for you to enjoy some good food, good music and just generally chill out and enjoy the wonderful atmosphere.

## Special Announcement!!

We are pleased to announce that we are to be joined at Snetterton by Trackday Films, a specialist motorsport film production company, who will be filming the day's proceedings. We're sure you will all be as excited about this as we are! [www.trackdayfilms.com](http://www.trackdayfilms.com)

### A Note from Mazda on Track

It's the great British Summer. Ice creams, pasty white legs covered in sun cream, Wimbledon hopes shattered and the Aussies beating us at Cricket as usual.

Well, we think that we need cheering up - BARC agree, and so we are having some recession beating motorsport.

MaX5 entry fees for Snetterton on August 8<sup>th</sup> and 9<sup>th</sup> are now reduced by 1/3<sup>rd</sup> to £200 for this double header event (that's got to be good value in anyone's book!) and of course there are no registration fees in MaX5, in which any race prepared MX-5 is eligible.

There will be our usual BBQ for all MX-5 competitors and guests.

This event should also see the first outing for a MK3 MX-5 in the UK championship. Something we are all excited to see!

We will be joined at Snetterton by Trackday Films, a specialist motorsport filming company who will be filming proceedings to produce a video. Check out some of their work here;

Photos from the day will be taken by Phoenix Photos, who specialise in motorsport and capture the atmosphere of the event perfectly.

Race fee discounts will apply for all the remaining race meetings in 2009.

Now that's cost effective motorsport when it matters most!
